

how to use *find your gift scavenger hunt*

To use this, print the 5 clues below. You will then use the Instructions on the bottom right corner to know where to place each clue. They go in this order:

Clue 1:

You decide how to hand this clue/start the hunt with this one.

Clue 2:

Place in or on your dryer

Clue 3:

Place inside your fridge or freezer. I do not recommend on the outside because it may be spotted before you want it found.

Clue 4:

Place outside an exterior door. If you cannot get it to adhere, you could place it slightly under an outdoor door mat.

Clue 5:

Tape under your kitchen table or chair.

This will lead to the reveal spot behind a pillow. I recommend using behind YOUR bed pillow since none of the other clues should lead through your bedroom, but you could really use any pillow in your house. If your reveal is a trip to Walt Disney World or Universal Orlando, I have reveal certificates available on my blog (kristisully.com) or you can create your own way for the final reveal

Thank you for downloading this scavenger hunt. I hope it serves your purpose of having a fun way to reveal a gift that cannot be wrapped.
